**PETITION TO WITHDRAW FROM EMPLOYMENT
PURSUANT TO 37 C.F.R. § 10.40**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a Petition by Morgan & Finnegan, L.L.P. to withdraw from representation because applicant's assignee, Creative Innovative Associates, has failed to pay several invoices submitted by Morgan & Finnegan for services rendered and expenses incurred over a prolonged period of time.

Morgan & Finnegan has had responsibility for drafting and prosecuting several patent applications for Creative Innovators Associates, including the above-referenced application. In rendering these services, Morgan & Finnegan has incurred substantial fees and disbursement expenses that have not been paid by Creative Innovative Associates. A list of the unpaid invoices is set forth in the table below:

Invoice Number	Invoice Date	Invoice Amount
188261	08/18/04	\$9,244.02
195536	12/06/04	\$28,997.34
198249	01/24/05	\$2,429.18
201291	03/18/05	\$3,952.11
202755	04/21/05	\$3,286.62
205431	05/20/05	\$2,558.85
211475	08/19/05	\$541.72
Total Balance Due		\$51,009.84

Over the past several months, Morgan & Finnegan has made repeated requests for payment of these invoices. For example, letters were sent to Mr. Jasper Jackson of Creative Innovative Associates requesting payment of the outstanding invoices on July 8, 2005, July 29, 2005 and October 12, 2005. Individuals at Morgan & Finnegan have also made several telephone calls and left messages for Mr. Jackson. However, Mr. Jackson has not responded to any of these letters or telephone messages. Notwithstanding, Morgan & Finnegan has continued to act in this application in a manner to preserve the rights of the applicant.

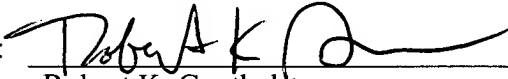

Morgan & Finnegan has recently advised Mr. Jackson of its intention to withdraw as attorneys of record in this application and Mr. Jackson previously advised that he has retained another practitioner to assume responsibility for this application. Although Creative Innovative Associates has been provided with copies of all official correspondence with the Patent and Trademark Office concerning this application, a complete set of documents has been forwarded to the other practitioner retained by Mr. Jackson, with a copy of this Paper to assure compliance with 37 C.F.R. § 10.40 (a).

In view of Creative Innovative Associates' continued failure both to respond to inquiries and to make any payments towards the outstanding balance, and the notice provided to

Mr. Jackson of Morgan & Finnegan's intent to withdraw, Morgan & Finnegan respectfully requests that this petition be granted.

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
